Re: **Andy Kim, et al., v. Christine Giordano Hanlon, et al.**
Case No. 3:24-cv-01098

Dear Judge Quraishi:

Please be advised that this office represents the interests of Defendant Holly Mackey, County Clerk for the County of Warren ("Warren County Clerk"). Our office has been advised that parties have raised a factual question as to the technical scope of the capabilities of the ES&S express voting system with respect to the ability to produce block or bubble ballots. Our office is now filing on behalf of the Warren County Clerk a supplemental Certification which addresses her knowledge and experience concerning the use of ES&S equipment. This Certification clarifies that her experience and knowledge of ES&S technical capabilities to produce block or bubble ballots extend to paper ballots only, and she has not been presented with such a scenario as to electronic or touch screen ballots. Our office and client recognize the timing of this supplemental submission and apologize for any inconvenience. Thank you for Your Honor's courtesy and consideration in this matter.

Respectfully submitted,

Joseph J. Bell
